

She's...Smokin' Hot

Dirk Schlag and Till K. Kahrs 2006 | Verlag: JAY KAY-Music

Look at those legs and look at those thighs
And look at it all-oh my, my, my
She looks so good she looks so sweet
Turning me on and cranking my heat

Her looks could kill and her smile can too
Leaving me dizzy, not knowing what to do
Her hips move back and forth like this
She's got great puffy sexy lips

CHORUS:

She's...Smokin' Hot
She's one fine lady
She's...Smokin' Hot
She's makin' me crazy
What am I to do
Cuz I'm one cool dude

(Instrumental Break)

Some young habits do die hard
And you won't need to look too far
I'll be your burnin' desire of love
That's more than enough

CHORUS:

(Repeat)

Bridge:

Keep it burnin', burnin' hot
Keep my engine runnin' I'll never stop

(Instrumental Break)

CHORUS:

(Repeat)

What am I to do
Cuz I'm one cool dude
